BANGALORE CITY MUNICIPALITY.

Notice dated 31st May 1918.

(1) Notice is hereby given that sealed tenders will be received up to 14th June 1918, by the Honorary President, Bangalore City Municipality, for supplying quarry metal, laterite and gravel for the roads noted below as per specification noted in the column of remarks.

(2) The material required for the year 1918-19 should be collected as follows:--

One-third of the quantity before the 31st August 1918, two-thirds before 31st October 1918, and the whole before 31st December 1918, in the order in which roads are taken up for repairs and notified to the contractor by the Municipal Engineer.

(3) Each tender must definitely state the rate at which each kind of material would be collected, carted and stacked in standard heaps on road side in places pointed out by the Municipal Engineer. The tender may be for one or more Municipal public works divisions.

(4) Each tender must be accompanied by a deposit of Rs. 100 (in cash or currency notes) as earnest money and be superscribed, "tender for supplying road materials."

(5) The final acceptance of any tender rests with the President, City Municipality, who does not bind himself to accept the lowest or any tender.

(6) The name of the successful tenderer whose tender has been accepted, will be posted on the notice board in the Municipal Engineer's Office in due course.

(7) No enquiries regarding the acceptance or rejection of a tender will receive any attention.

(8) The successful tenderer will be required to deposit a sum equal to 5 per cent of the value of the work tendered for, as security for due fulfilment of the contract and to execute a bond within a week after the acceptance of his tender. In default, the tenderer will forfeit his earnest money and his contract will be considered nul and void.

(9) The earnest money of rejected tenderers will be returned to them within a week after the date of settlement of tenders and the tenderers must apply to receive the said earnest money either in person or through a duly authorized agent. The date of settlement will be notified by the Municipal Engineer.

(10) It shall be competent for the Municipal Engineer under the orders of the President to cancel the contract with for feiture of security, to levy a fine for delay in supplying, to reject to tally the material not satisfying specification, or reduce the rates and to get the supply supplemented by other contractors in case of delay or other causes above mentioned and to recover any excess expenditure incurred therefor from the security deposit.
